PONIARD 1973

VOLUME NINE

WESTMONT HIGH SCHOOL

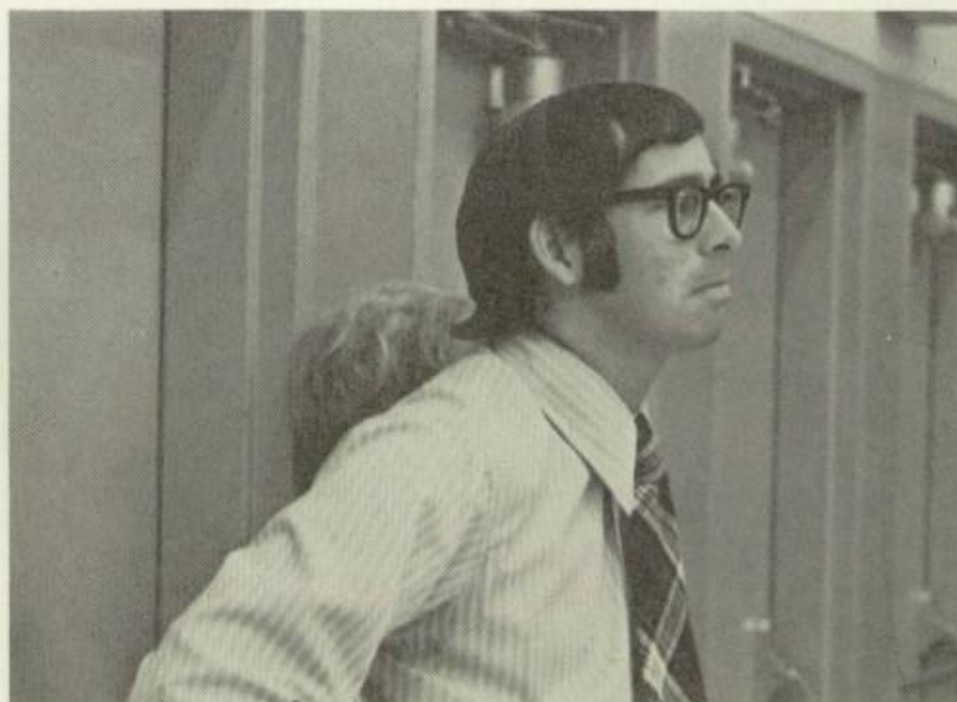

DEDICATION

The score is tied at 14 - 14, and we see him as tense as everyone else. The day before pictures we see him running around on last minute details. We see him supervising a student council meeting and playing in an intramural game.

Do we ever stop and think about all that he has done for us?

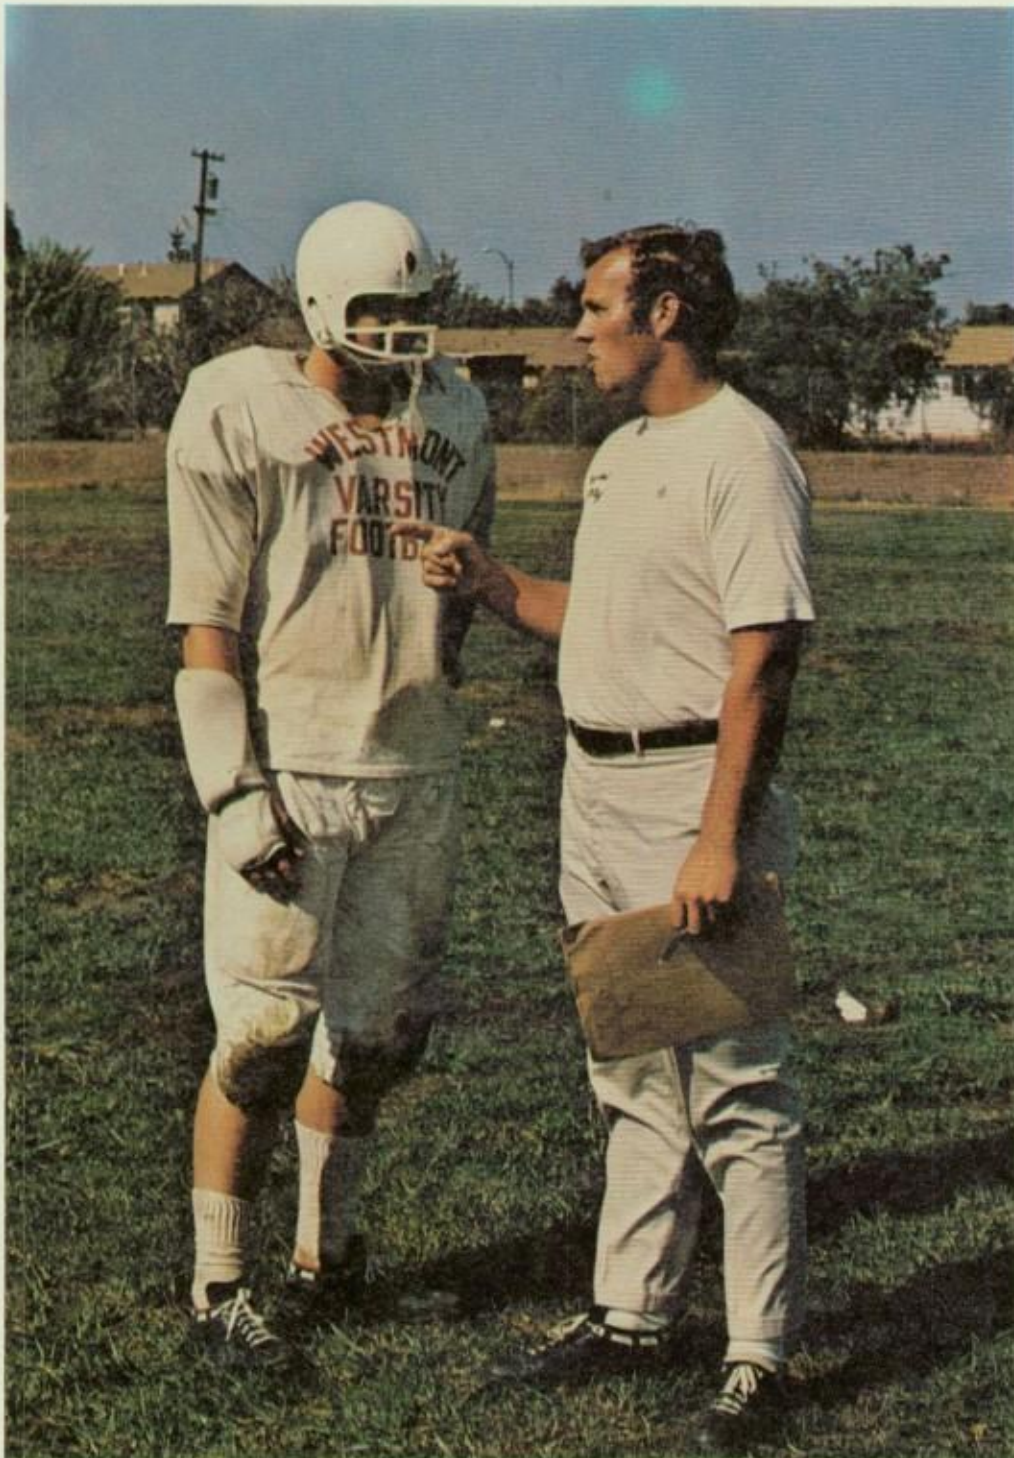

He holds the job of Director of Activities at Westmont High School. He has dedicated his life to Westmont, and to help repay the time and effort he has given us -

We, the yearbook staff, wish to dedicate the 1973 Poniard to Mr. Owen Hege.

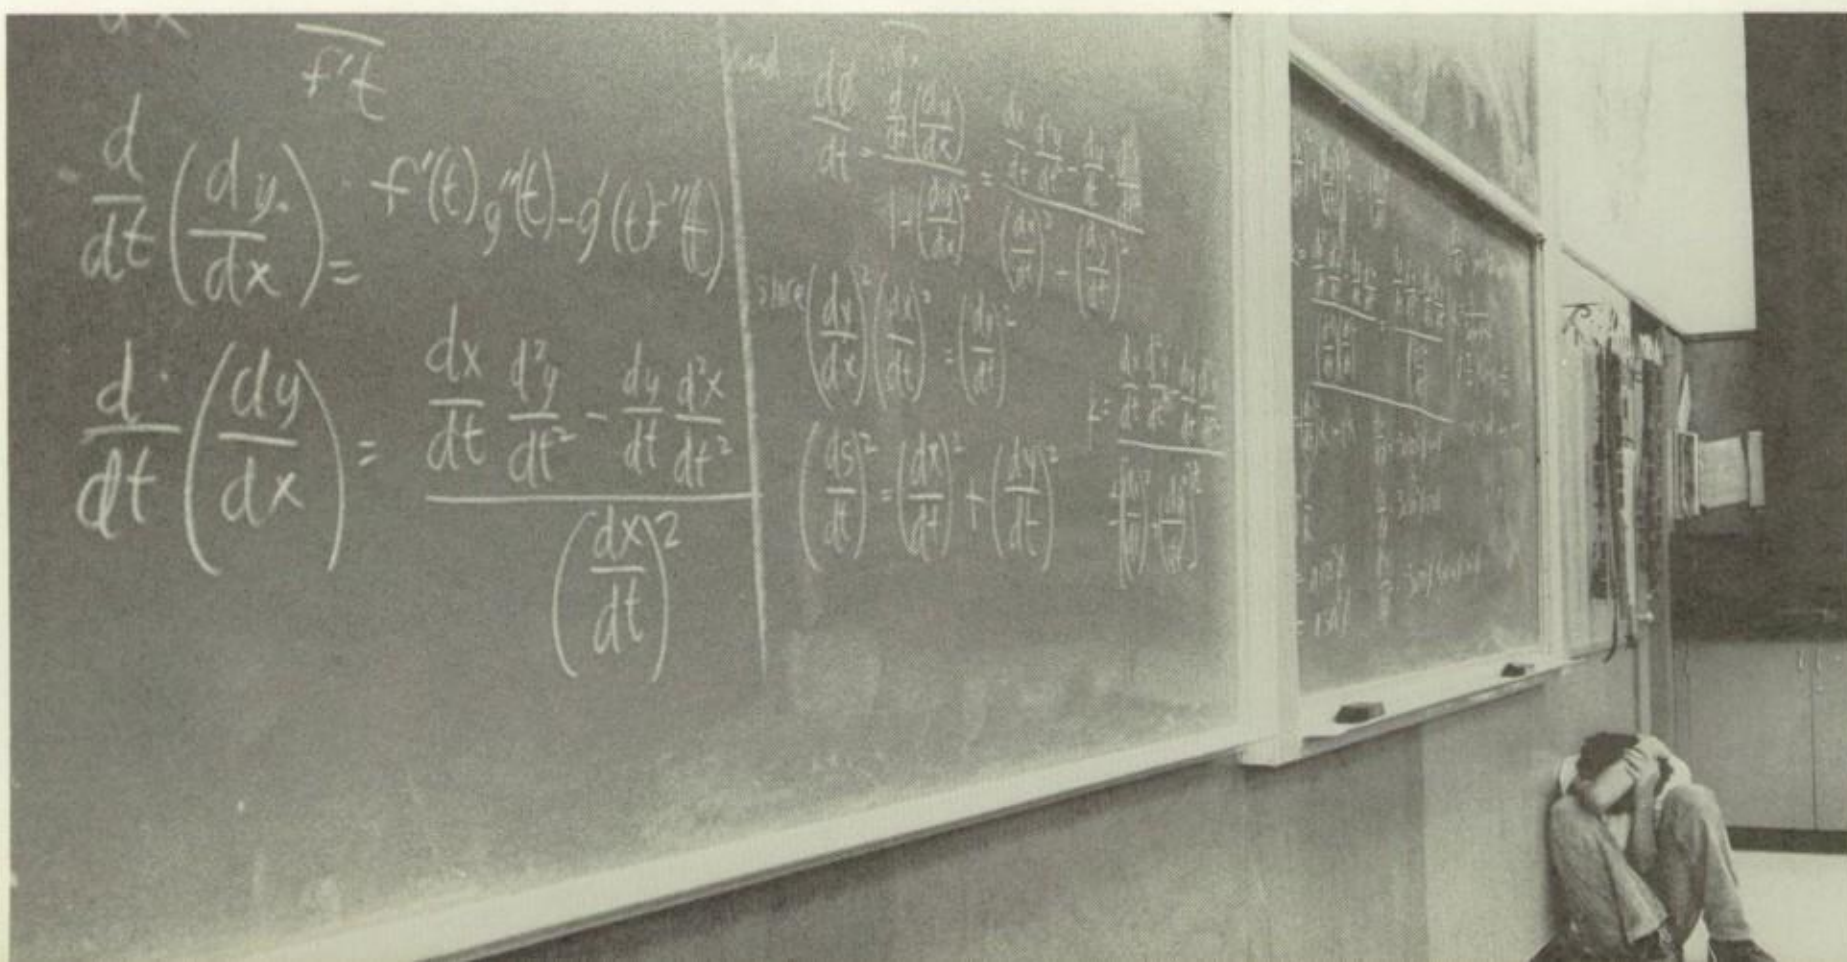

PEOPLE WHO NEED PEOPLE

HUMAN NATURE IS
TO IGNORE SORROW
AND SEEK HAPPINESS

THE ROCKS OF IGNORANCE ARE MUCH HARDER
THAN AN OCEAN OF KNOWLEDGE,

BUT IN TIME EVEN GREAT

CLIFFS FALL TO THE SEA.

RUN . . .

DON'T LOOK BEHIND.

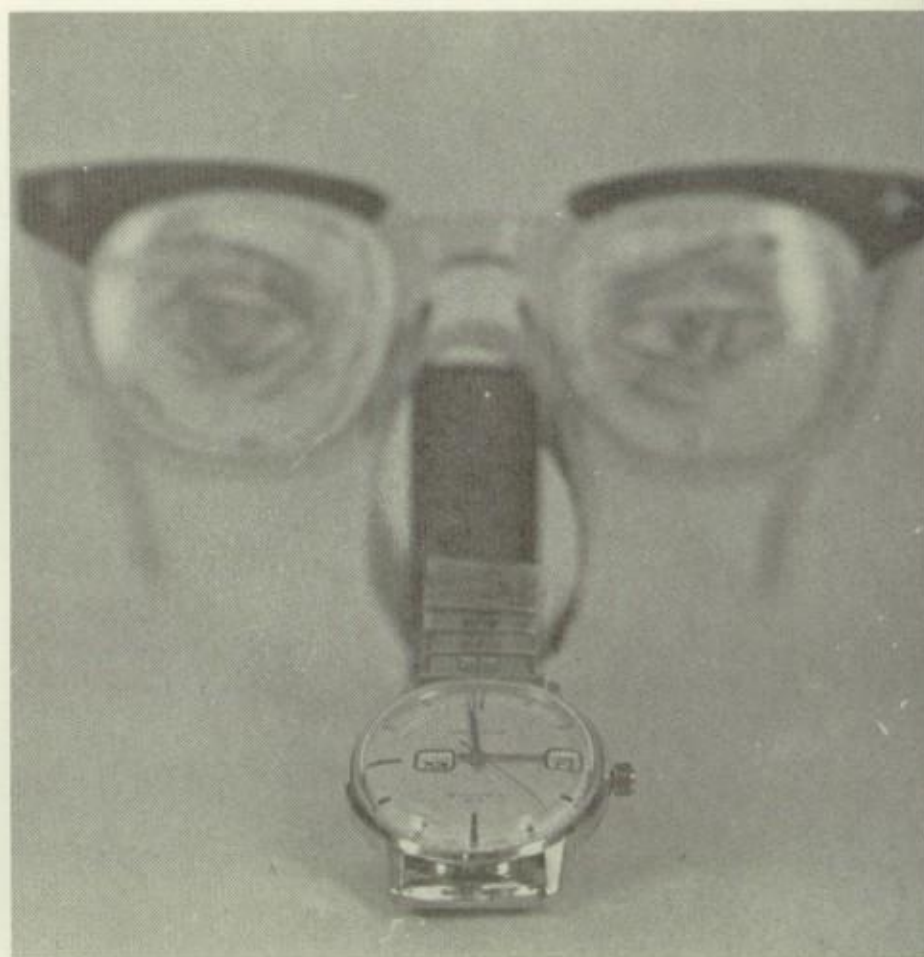

LIFE IS LIKE A CHICKEN.
YOU HAVEN'T LIVED
UNTIL YOU'VE PLUCKED
IT.

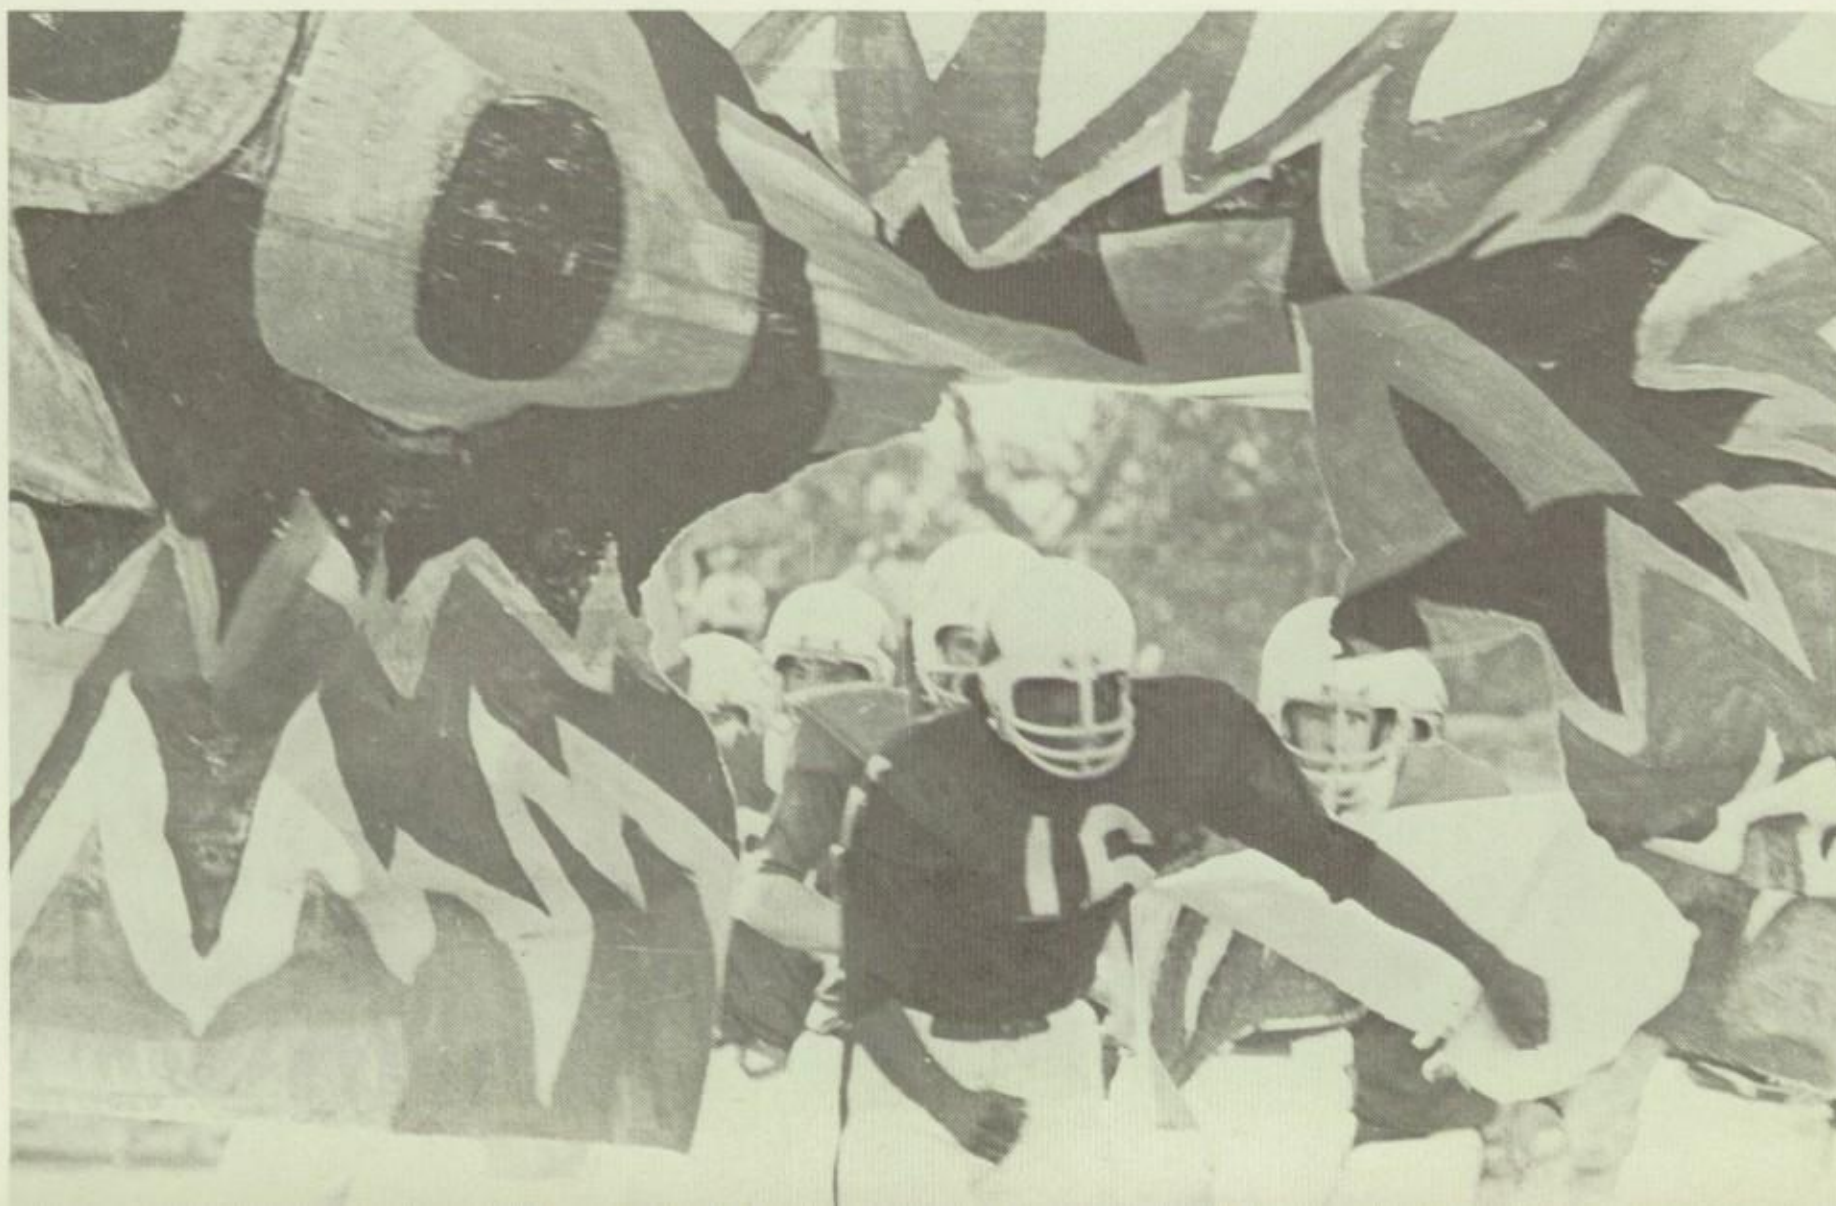

WE SEE THINGS IN
DIFFERENT PERSPECTIVES
BUT CANNOT ALWAYS
ACKNOWLEDGE IT.

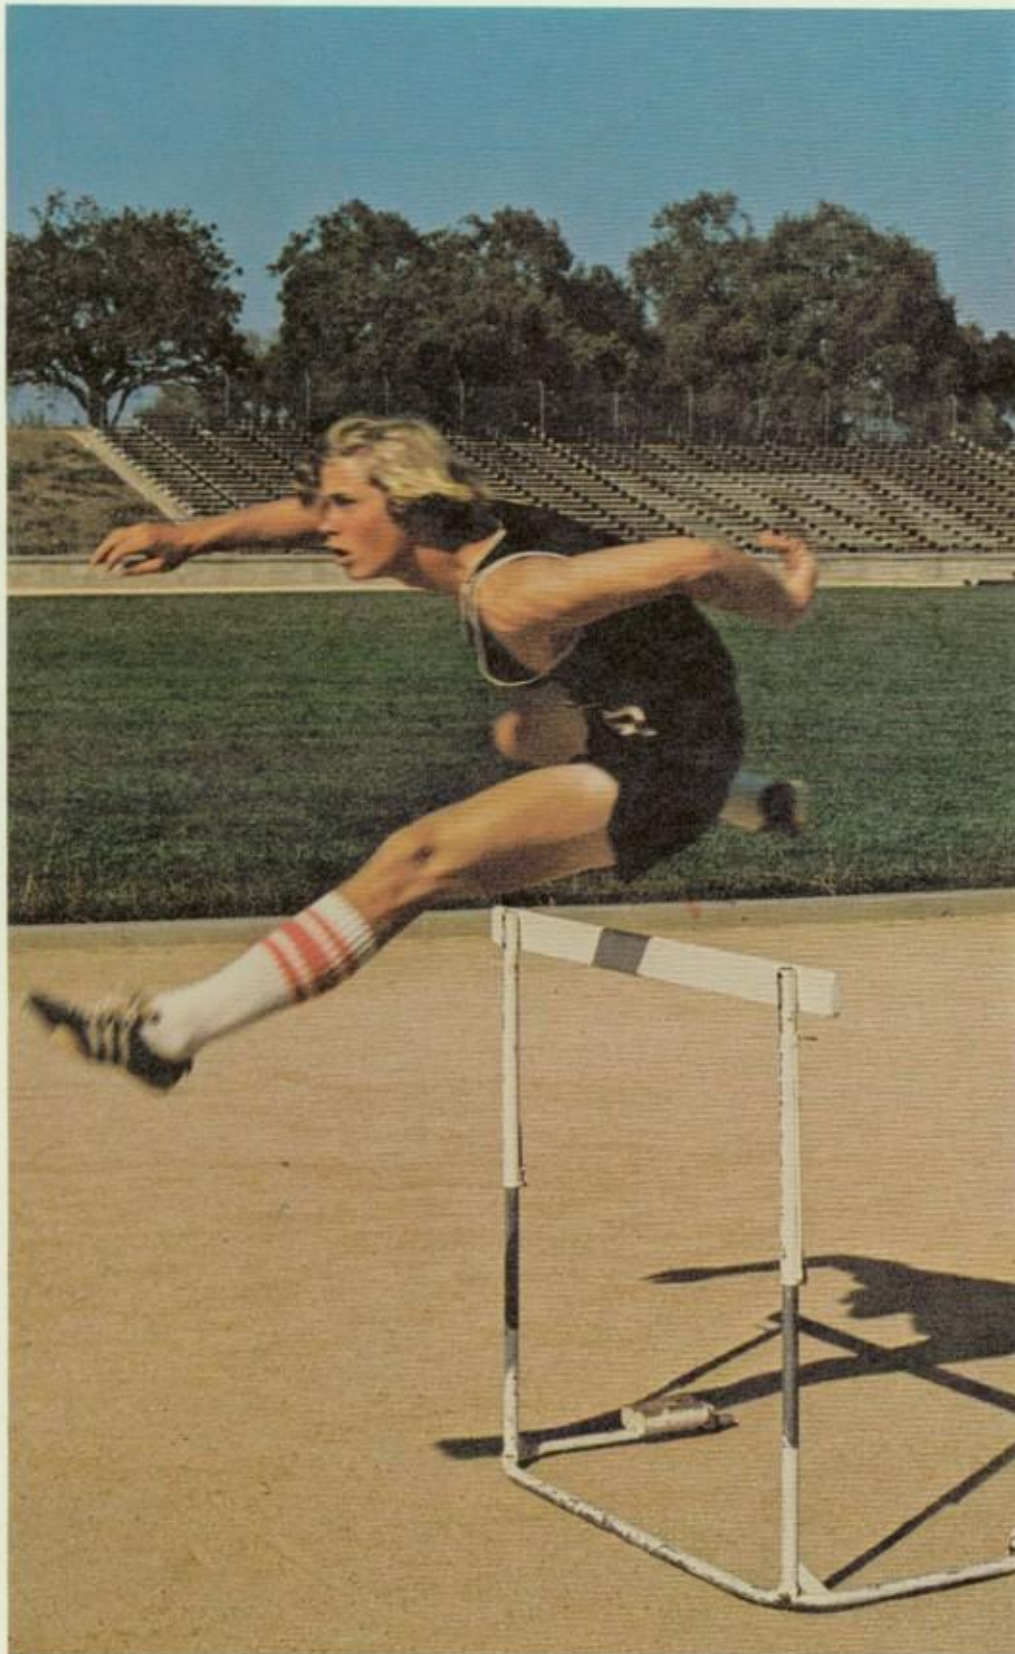

LET YOUR CELEBRATION
BE LIFE!

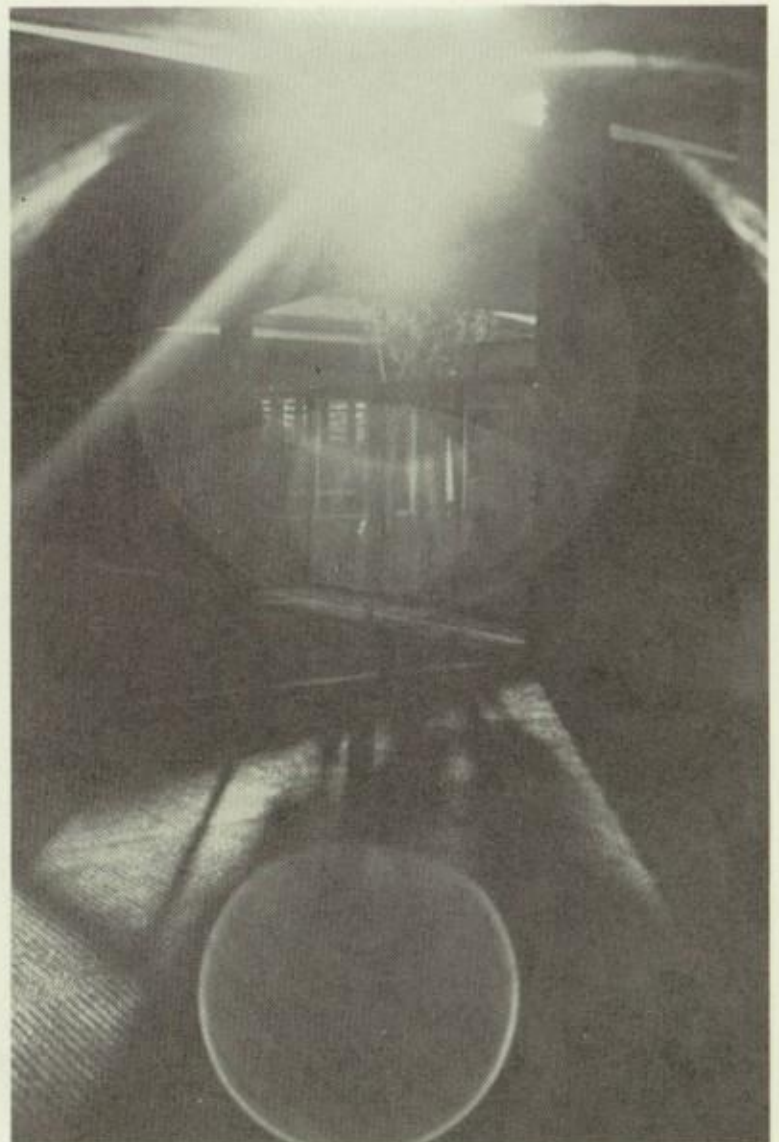

TODAY WE'LL LIVE.
TOMORROW WE'LL REMEMBER.

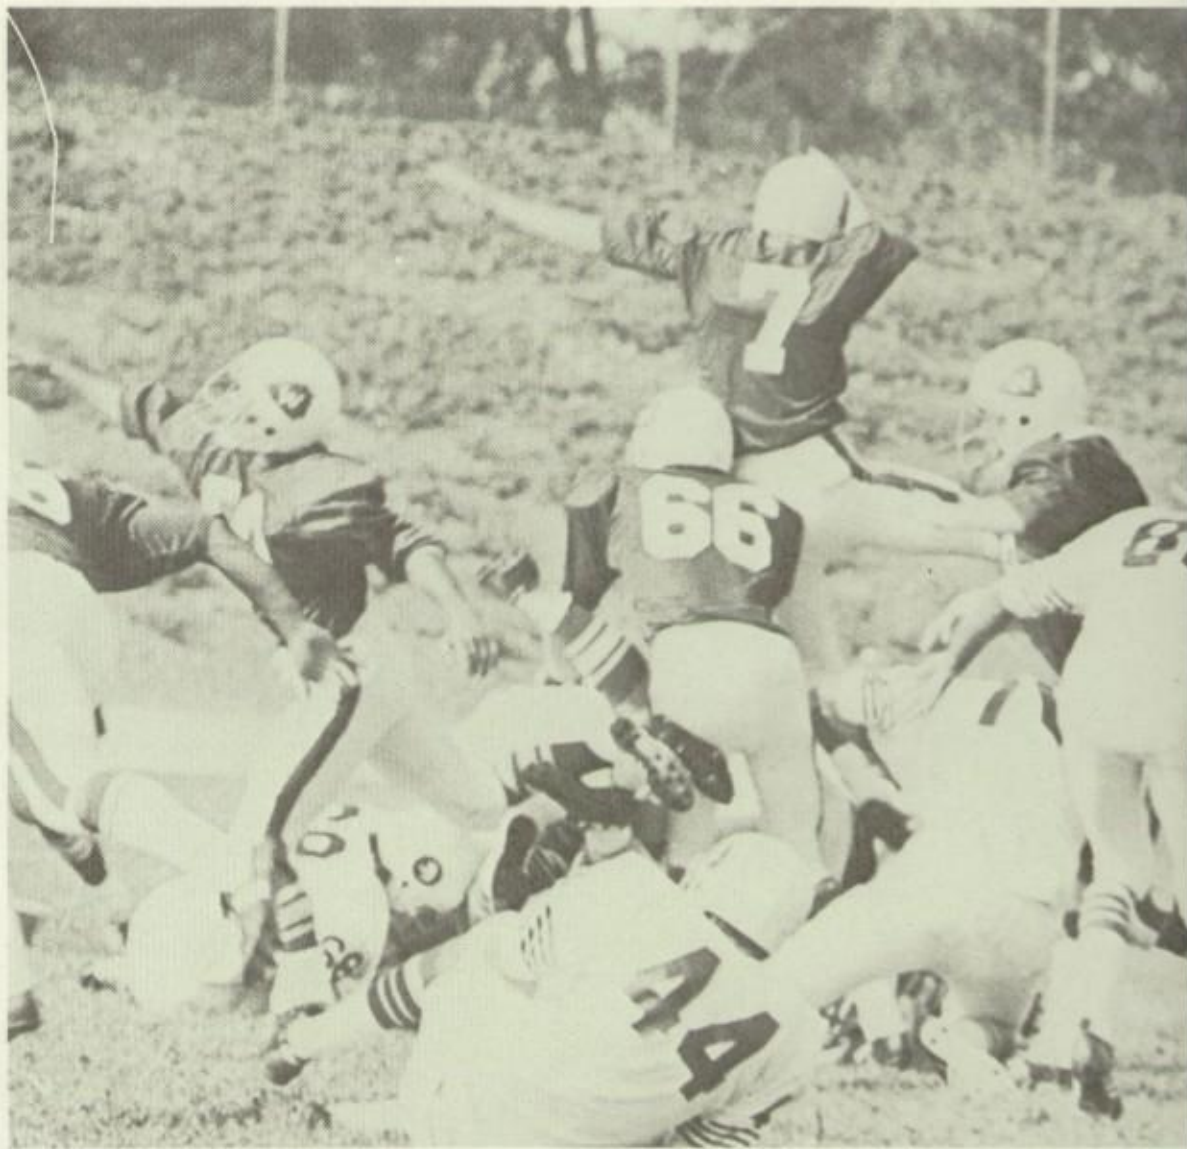

IN SPITE OF
EVERY OBSTACLE,
SCHOOL IS
AN EXPERIENCE.

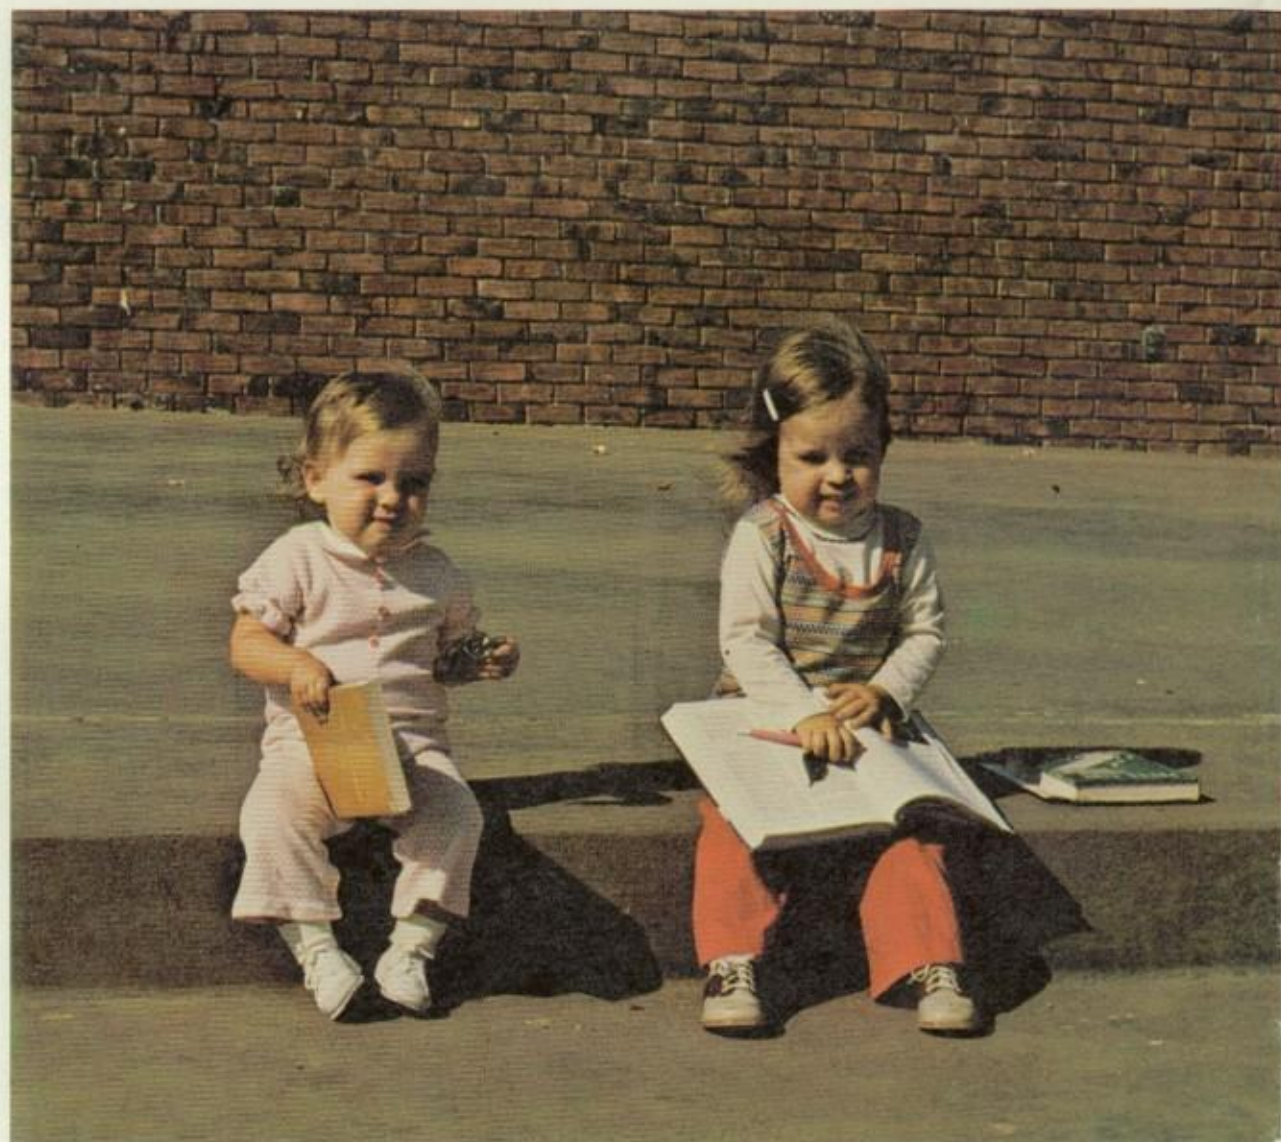

WE TALKED OF
FOOTBALL GAMES.
WE REMINISCED OF
SUMMER DAYS.
WE PLANNED.
WE TRIED.
WE ACHIEVED.

WE GREW UP . . .

Westmont's Gridmen Grab Second

In the 1972 season, the gridmen of Westmont High School changed the tradition of old by placing second in the WVAL conference. With a powerful offense and a strong defense, teamed with a superior coaching staff, there were few opponents who could match our mighty Warriors.

Track - On Its Way To Victory

With Speed City just opening their 1973 season and the Poniard coming to a close, the exact league standing was not known. But with the victories over Camden and Leigh, contenders for the league championship, the Warriors set their sights for the top. Capitalizing on the natural talents of the team and the outstanding coaching staff, lead by Coach Mike Airington, the Warriors had a winning combination.

With our star players "dancing" Don Odale, "rabbit" Massengale, big "Z" Zirzow, and "killer" Cripe, the Westmont Faculty faced the 49er's. The challenging team made up of Frank Nunly, John Isenbarger, Vic Washington, Skip Vanderbunt, and Rolf Krueger outmuscled the undernourished faculty - beating them by a touchdown, concersion and field goal: 90-80.

From a wild west show to an average day at Westmont, this year's Student-Faculty Variety Show was truly different. As teachers and students changed places we saw real personalities come to the surface and real talent as well.

The nights of March 8th, 9th, and 10th, were devoted to the 9th annual Pops Concert. The performance began with Mr. Gary (Czar) Kenyon conducting the Concert Band. Mr. Gary Mc Bee followed with the vocal sounds of the choir. The highlight of the evening was the Jazz Band proving that you need not read music to know music. They provided the pleasing notes to the ears while the Satin Dolls and Flag Girls provided the pleasing sights to the eyes. They continued with melodies from the Glenn Miller regime like "String of Pearls", and "In the Mood". The show was brought to a close with the improvisational piece, "Doin' Bassys' Thing".

Government For The People

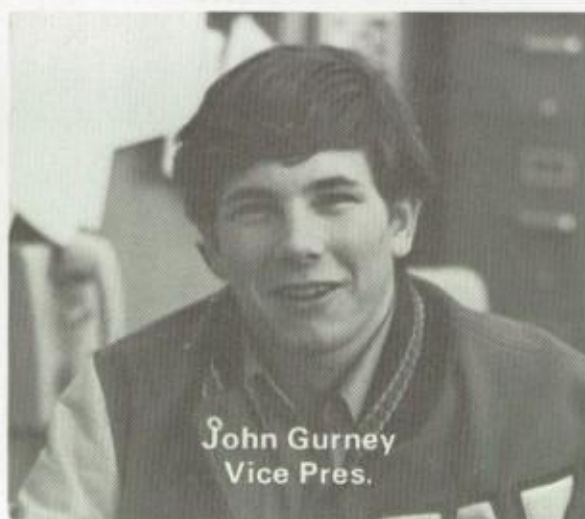

More than ever the Fall Student Council accomplished astounding feats varying from establishing the Environment Committee, which layed out plans for the future development of the quad, to the successful Elvin Bishop Concert. Not only did they re-enact the representative form of student government, but they conducted the largest ASB Card Sale in the history of the school.

We cannot look into a crystal ball to find our future but a look inward into our minds shows our past year at school suprisingly clear. Besides a new wing and a newly-carpeted library, different departments go caught up in unique experiences. Drama provided a first by presenting the Senior Play in-the-round; our Student Body Officers brought a concert to Westmont featuring ELVIN BISHOP and Jasper; the Science Department expanded its Photo room; and students and faculty joined together to put on a Variety Show.

In Athletics, all teams excelled. Football put up an excellent fight by placing second in the league. Basketball followed by also placing second, while Cross Country ranked third in the nation, and track was on its way to add another victory.

If we could look into the future, think how much we would know, but think how much fun it would spoil.
